

Introducing the newest Cool Cure to the Cannatrol product line.

Premium cannabis begins in post-harvest; and nobody does it better than Cannatrol. As the only company with patented technology specifically designed to manage drying, curing, and storage through vapor pressure control, Cannatrol's Vaportrol® Technology is a true industry game changer.

Durable design with:

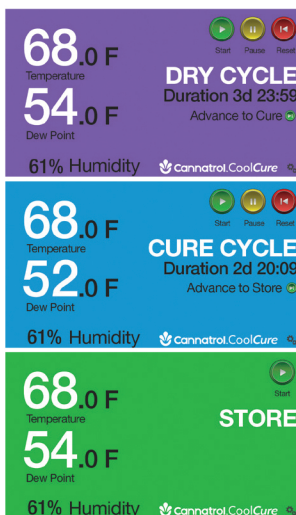

- Easy-access 1-liter front water tray
- Food-grade ABS interior
- Stainless Steel Food Grade Shelves
- Enhanced Air Flow Technology
- Built-in Wi-Fi and Bluetooth connectivity (C2 and C+ models)
- Smartphone app integration for remote monitoring and control
- Vibrant touchscreen for quick control of Dry, Cure, and Store cycles
- User controlled multi-color internal LED lighting for enhanced visibility
- Dimmable Exterior Lighting
- Enhanced Security
- Stackable
- 24-month-warranty
- Ambient Temperature Range: 45–100°F / 7–38°C
- Drying/Curing Capacity: 2.5 lb / 1.13 kg wet
- Storage Capacity: 4.5 lb / 2 kg
